From

M.R.Ry Rao Bahadur N. Subba Rao Avargal,
President, District Board,
South Kanara.

To

The SECRETARY TO THE COMMISSIONERS OF
LAND REVENUE,
Madras.

Through The Collector of South Kanara.

Sir,

The present limits of the Bolur ferry situated across the Netravati River in Mangalore Taluk are 500 yards on each side of the ferry station. These limits appear to have been fixed about forty years ago with reference to the instructions issued in para 3 of G.O No. 121 dated 2nd February 1880 Revenue Department. Recently there have been complaints from the ferry renter that -- the present limit on the eastern bank of the ferry is such that it gives room for the plying of private boats from a point outside the limits of the ferry to a point within those limits thereby causing unnecessary loss to him. In order to avoid such complaints hereafter it is proposed to extend the eastern limits to a place mark -ed as "Derebail Thodu" in the sketch enclosed. The District Board has approved of the proposed extension of the limits -vide District Board's Resolution No 18 dated --- 22nd December 1921 ~~(copy enclosed)~~. I request that you will be good enough to obtain the sanction of Government to the above proposal.

2. A draft notification in duplicate is submitted here

with for favour of approval and publication in the Fort St. George Gazette.

I have the honour to be,

Sir,

Your most obedient Servant,

President
